CATHOLIC SCHOOLS

Fall 2011

Dear Parents,

Daily, we hear about success – professional, physical, scientific and technological. We want to achieve; it is what drives us, regardless of the challenges we must overcome to reach it.

I want to share with you the road to success made possible through a **Catholic education**. Catholic Schools who have success as a goal: success in school; success in career and life, success by reaching heaven. Perhaps you attended a Catholic School or know of someone else who did. You may even have children in Catholic schools, but did you know:

Our Mission:

- Our schools develop the whole person: academically, spiritually, emotionally and physically
- We instruct over **2,000** students annually for the sacraments of Reconciliation, Holy Eucharist and Confirmation
- We make our schools accessible by offering over **\$2,000,000** in school and parish based scholarships through the Diocesan Tuition Grant Program

Our Schools:

- **100%** accredited
- **48%** recognized as Blue Ribbon Schools by the U.S. Department of Education

Our Teachers:

- **100%** professional, degreed and certified
- **40%** have completed post-graduate work with a Masters Degree or higher
- Dedicated, with combined teaching experience totaling over **16,000 years**

Our Students:

- **100%** graduation rate
- **99%** attend colleges or universities with **1%** attending military academies
- **20** average points higher on SAT's and ACT tests than students in Fairfax and Arlington
- In our elementary schools average **30** points higher on the nationally norm-based TerraNova tests
- **\$26,000,000** received in grants and scholarships

With numbers like that, how could your child not succeed?
Come and see for yourself, the vehicle for your child's success –
a Catholic Education.

Sincerely in Christ,

A handwritten signature in cursive script that reads "Sr. Bernadette McManigal".
