

Conference for the Engaged Weather Policies

CFE – VIENNA, VA – OUR LADY OF GOOD COUNSEL

Our Lady of Good Counsel parish follows the weather policy of [Fairfax County Public Schools](#):

- In the case of inclement weather on a Saturday, Fairfax County Schools may **close** their school GYMS. If they do so, OLGCC will also close, and the CFE will be **CANCELLED**.
- If Fairfax County Schools **DELAY** for an hour or less, the CFE will also **DELAY** for that amount of time, then it will proceed as normal.

To stay up to date, please visit www.fcps.edu/news/emerg.htm or call 1-800-839-FCPS (3277) to check the status of Fairfax County School Gyms (and thus of Our Lady of Good Counsel).

If there is a real threat of winter weather on the day of the CFE, you may also call 703-841-3807 on Friday night or Saturday morning for an update on the CFE.

- If you know you will be unable to attend, please call to transfer to another date (703-841-2550).

CFE – WOODBRIDGE, VA – ST. ELIZABETH ANN SETON

St. Elizabeth Ann Seton (SEAS) follows the weather policy of [Prince William County Public Schools](#).

- In the case of inclement weather, if PWCS **CLOSE** then SEAS will also **CLOSE** and the CFE will be **CANCELLED**.

To check the website, go to <http://www.pwcs.edu> and look at the top of the "Announcements" section. When viewing the website be sure to refresh your web browser periodically. You may also call 703-791-2776 (select #3).

If there is a real threat of winter weather on the day of the CFE, you may also call 703-841-3807 on Friday night or Saturday morning for an update on the CFE.

- If you know you will be unable to attend, please call to transfer to another date (703-841-2550).

[Because the Woodbridge CFE takes place in the evening, a situation may arise where a storm worsens throughout the day. In that case, PWCS may be open in the morning, even when SEAS decides to close later in the day. This should only happen in the case of late, severe storms. In that case, we will make every effort to call everyone but feel free to call 703-841-2550 for updates.]
