Prayer and Intercessions

Prayer and intercessions for the healing of all those hurt by abortion is foundational. Some suggestions:

- ◆ Include an intention for post-abortion healing in the Prayers of the Faithful.
- ◆ Offer a Holy Hour or Mass for this intention.
- ◆ Distribute a prayer card with a prayer for healing (sample in this packet).
- ◆ Pray the “Rachel Rosary” which includes meditations and intercessions for those involved in abortion (see Resources section, page 25). ■

*And having another baby doesn't seem like
the answer either—I'll still always be
short one child.*

*There will always be one less child at the dinner
table.*

*There will be one less smile to see, one less tear to
wipe dry.*

And it's all my fault.

*I don't blame my husband (I don't think),
although I know he blames himself.*

*And he misses that baby too but he won't admit
it to me.*
