## GOAL SUMMARY

The goal for this session is for the young people to know that we are each called to live a life with God and to be close to him.

---

## VIDEO SUMMARY

This video is a “skit guys” video and is comprised of one man acting as God and one as “Tommy”. Throughout the video, we see God chiseling away the bad parts of Tommy so that he can be holy and close to the Lord.

## DISCUSSION QUESTIONS

1. How are you God’s masterpiece?
2. Why do you think the “chiseling” process can sometimes be painful?
3. What are some of the things the Lord needs to chisel out of your life?
4. What do you believe God expects you to be?
5. How can you let the Lord truly love you where you are?

## SEND

Each of us is God’s masterpiece. Sometimes we forget that, but we have to be willing to let the Lord chisel away the parts of us that are not from Him so that we can be close to Him.

Pray together:

*Lord, there are so many dark places in our hearts. Help us to be brave enough to let you chisel away the things in our lives that are not from you. Allow us to believe that we are your masterpiece! We love you Lord. Amen.*
