## **POINTS TO REMEMBER FOR THE RITE OF ELECTION**

- *Please make sure the NAMES for your Catechumens and Candidates are filled out completely and names are spelled correctly. These forms should be typed or printed LEGIBLY.*
- *Please remind your catechumens & candidates to dress appropriately for the occasion.* No revealing dresses, blouses, jeans, etc.
- *Remind your catechumens & candidates and their guests to observe appropriate decorum and reverence.* No loud talking, laughing, etc.
- As we do not send out confirmation notifications prior to the Rite of Election, *each parish is responsible for making sure that their catechumens & candidates know what day they are to attend.* Each year, we have people show up on the wrong day, therefore adding to overcrowding.
- Also, it would be helpful if every parish had a coordinator come with their parish group to the Cathedral.
- Also, please fill in the “**TOTAL NUMBER ATTENDING**” with the appropriate number of people coming. That **includes** clergy, office staff and one sponsor per catechumen or candidate.
