

A Spiritual Bouquet for Our Lady

On May 13, 1917, the Blessed Virgin Mary appeared to three children in Fatima, Portugal and instructed them to pray the daily rosary for world peace.

Especially today, we must heed this call. Daily prayer will change our world and bring unity to our families. Families devoted to our Mother already understand this connection between prayer and family unity. When there is family unity, the members experience a steady flow of God's love. His peace, always available, draws the family through the inevitable times of difficulty and members of such families possess a calm and steady bearing.

Join with us as we pray for peace.

Jesus will return a sense of unity to every family that allows Him to do so. Will you help? Let us agree today that each family will respond to this message by praying the daily rosary together. You will be abundantly blessed in this decision. Start small, if you must, with one Our Father. Then advance gradually.

Pray now, as a family, and rejoice as He restores unity to your home.

The very soul of our world struggles to find the source of healing it requires. He is here. Jesus waits for you in every tabernacle and has never once turned His gaze away from you. Come, adore Him in the Eucharist and He will reveal Himself to you. If we only knew the value of each and every visit that is made to Him, there would be crowds all through every day and every night. Let us each make a firm commitment to attend one hour of weekly Eucharistic Adoration.

Again, start small, if you must, by making one weekly visit for 5 minutes and then advance gradually.

Pledge your prayers and see the healing power of Jesus in your life.

Please make a spiritual pledge by signing online or on the back of this card.

The pledges will be presented to Our Lady on October 8, 2011 at the Basilica of the National Shrine of the Immaculate Conception in Washington D.C.
