

## 2019 CATHOLIC DIOCESE OF ARLINGTON CRS RICE BOWL GRANTEES

*The following have received grants from the Arlington Diocese's CRS Rice Bowl grant program to help fund their operations in 2019. The grant funds were raised through the generous participation of parishes, schools, youth groups and religious education programs of the Arlington Diocese, in Catholic Relief Services' Rice Bowl Lenten program during Lent 2018. Rice Bowl funds two diocesan grant programs – food distribution grants, which support the direct provision of food, and Nutritional Security Grants, which support efforts to provide longer-term solutions to food insecurity, such as garden projects, food coops, educational efforts such as cooking and tasting classes, and the like. For more information about CRS Rice Bowl, including how your parish or school can participate, please contact Carla Perantoni Walsh, Diocesan Coordinator of Catholic Relief Services Programs, at [ricebowl@ccda.net](mailto:ricebowl@ccda.net) or 703-841-3839.*
