

## **Mobile Response Center Vehicle Care Bags**

Bringing Hope to the Homeless

The thing the churchneeds most today is the ability to heal wounds and to warm the hearts of the faithful; it needs nearness, proximity. I see the church as a field hospital after battle. Pope Francis

# What is the Mobile Response Center Vehicle?

Thanks to a partnership with Catholic Charities USA and the Ford Motor Company, Catholic Charities in Arlington will be able to provide curbside assistance to area homeless and poverty-stricken communities for one week each month. The Mobile Response Center Vehicle is a 26-foot retrofitted Ford F550

Truck that will deliver supplies such as water, hygiene products, grocery gift cards and snack packages directly to the needy. During the winter, coats and blankets will be distributed. For more information, contact Sally O'Dwyer sodwyer@ccda.net.
