

## Scripture Suggestions

Here are some suggestions for praying with Scripture. Read the New Testament story a couple of times, until you are familiar with it. Then, place your self into the story as one of the characters and dialogue with the Lord. Listen in the silence of your heart to what the Lord has to say to you. This is meant to be a quiet type of prayer. You need only sit in the presence of the Lord and listen! There is an expression that says our prayer needs to be “Speak Lord, your servant is listening” instead of “Listen Lord, your servant is speaking.” Allowing the word of the Lord to come into our heart touches the deepest core of our being.

The Lord will lead you on your healing journey, if you give Him permission to do so. Surrender all your pain and self-recrimination to Him. God is gentle and waits to pour out His mercy and healing upon you.
