THE MASS EXPLAINED

Office of Faith Formation

"We all know we should go to Mass and all know of the Sunday obligation, but now that there are virtual Masses, what is the difference? Why is attending Mass so important? What exactly happens at the Mass? How can we grow in love and participate more fully in the Mass? If you have asked any of these questions, so have I. Come learn about the most beautiful reality of the Church which has converted sinners and molded saints throughout the centuries! Hopefully, we will come to see that what Saint Padre Pio declared about the Mass will not be simple hyperbole: 'It would be easier for the world to exist without the sun than without the Holy Mass!'"
