

Men's Ministries Throughout the Diocese of Arlington

By Parish

Within this packet is a list of the men's ministries offered throughout the Diocese of Arlington. It is our sincere hope that the Men's Conference can foster men's ministries throughout the diocese, as well as the brotherhood and mutual support that we need as Catholic men. Please consider using this list as a resource as you seek out fellowship with your brothers in Christ.

This list is a result of a survey that the Office for Family Life sent to every parish in the summer of 2011. We have made every effort to be as accurate as possible; however oversights do occur, so if you find a mistake please just let us know.

Finally, if you are unsure of what parishes are near you in the diocese, please refer to the maps of each deanery which follow *after* the spreadsheet below. Parishes with a Knights of Columbus council have a yellow square, parishes with some other men's ministry have a red square, and parishes which have both have both.
