Pope Francis

You must realize that studying without prayers is no use. We must pray to Jesus to get to know him better. Pray to Jesus!

Pope Benedict XVI

The Church does not live on herself but on the Gospel, and in the Gospel always and ever anew finds the directions for her journey. This is a point that every Christian must understand and apply to himself or herself: only those who first listen to the Word can become preachers of it. If it is effectively promoted, this practice will bring to the Church - I am convinced of it - a new spiritual springtime.

Pope Saint John Paul II

It is especially necessary that the practice of listening to the Word of God should become a life-giving encounter, utilizing the ancient and ever-valid tradition of the Lectio Divina that enables us to find in the Bible text the living Word that questions, guides, and shapes our lives
