

# WE NEED YOUR PICTURES!!

The Office of Youth, Campus, and Young Adult Ministries would like to recognize the amazing work you are doing in your parishes, schools, and college campuses.

Please send us pictures of your best ministry moments of 2023-2024!

Pictures will be included in our End of the Year video, which will be shown at the Appreciation Dinner and then posted online.

Pictures should be of adults working with young people, young adult leaders working with other young adults, or campus ministry events.

If your awardee is in the picture, even better!

Pictures should be landscape, preferable with a 16:9 ratio (think PowerPoint slide) with a minimum resolution of 72 dpi.

Please do not download Facebook photos, as the resolution is poor.
