CONTINUE

- Once you have logged into the registration page, select the name of your parish/school and press SAVE. If you do not press SAVE, this will cause errors so please do not skip this step.

The screenshot shows the top navigation bar with the Catholic Diocese of Arlington logo and a 'Sign Out' link. Below the logo are three tabs: 'Parish Selection' (active), 'Adult Registration', and 'Youth Registration'. The main content area contains the following text: 'Please select the name of your parish. If you are with a group that is not listed, please select "No Parish."' and 'Cost is \$25.00 per participant (youth and adults)'. A dropdown menu is set to 'No Parish' with a 'Parish' label to its right. At the bottom right, there are 'SAVE' and 'CANCEL' buttons.

- Click on the Adult Registration tab.

The screenshot shows the same top navigation bar. The 'Adult Registration' tab is now active. The main content area is titled 'Adult Leader' and includes a 'REFRESH' button. It contains the following text: 'Must bring one adult leader for every ten youth participants.' and 'Adult leaders must be at least 21 years old and OPCYP compliant.' Below this is a paragraph: 'This section is for registering all adult leaders including the group leader. If you, the group leader for your parish, are attending RALLY 2023, you must list your name as an adult leader below.' This is followed by a red line of text: 'You may return to this page to add or remove participants through October 18, 2023.' and another paragraph: 'After adding or removing adult leaders, please click REFRESH to see how many youth participants you are able to bring.' At the bottom, there is an 'ADD' button and a table with columns for 'First Name', 'Last Name', and 'T-Shirt Size'. The table currently contains the text 'There are no records.'

- Click on "ADD" to add the names and T-shirt sizes of all adult leaders, including the group leader. Please enter names as they should appear on the name tags that we provide. You need to click "REFRESH" to see how many youth participants you are able to bring based on the number of adult leaders that you have. This needs to happen before you are able to then add youth participants.

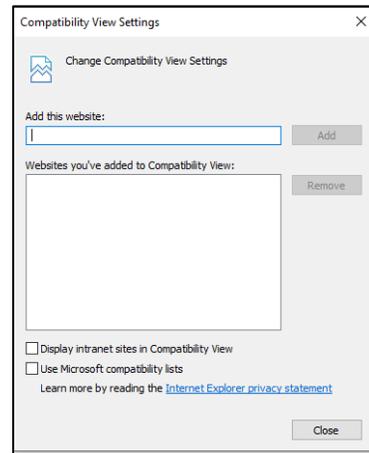

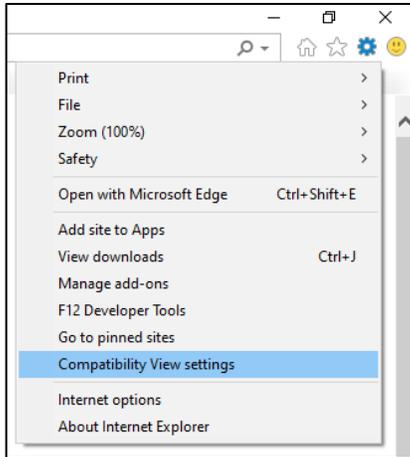

7. Click on the Youth Registration tab.

8. Click on “ADD” to add the name, grade, and T-shirt size of each youth participant. Please enter names as they should appear on the name tags that we provide. You may click “REFRESH” to see how many spaces for youth participants are left, based on the number of adult leaders that you have registered.
9. When finished, click Sign Out at the top of the page.
10. Until noon on October 18<sup>th</sup>, you can log back into the registration page to add/edit/delete or otherwise change your registration information. For any changes AFTER noon on October 18<sup>th</sup>, please call the Office of Youth, Campus, and Young Adult Ministries at (703) 841-2559.
11. Once you have registered, simply bring your list of participants with you when you check-in on Sunday, October 22<sup>nd</sup>. **Make sure that each youth participant has a completed and signed permission slip, and bring that with you! It does not need to be turned in but you should have it with you.**
12. Your parish will be invoiced after the event based on the number of participants (youth and adult) that you confirm at check-in. We will send the invoice to your attention unless you indicate otherwise at check-in.

**A few helpful hints:**

- If you try to register more youth participants than you have adult leaders to support bringing, the names will not show up. This is also why it is important to refresh after adding adult leaders.
- You are able to sort the lists of adult leaders and youth participants by first name, last name, or age by clicking on the white triangle in the selected field.

- The registration site works best in the Chrome and Firefox browsers. If you are using Internet Explorer and the site is not displaying properly, click on the gear at the top right corner of the browser, and choose “Compatibility View settings” from the dropdown menu. Make sure that all boxes are unchecked in the Compatibility View Settings window. Press Close and then refresh browser.

**Please do not hesitate to contact us if you have any issues registering your group!**
