Instructions

Print the PDF and cut out each shape along the dotted line.

Small black circles are to indicate where holes may be cut to allow string, wire, or hooks to go through.

Color, if desired, each individual image. More experienced crafters may consider printing out the ornaments on heavier cardstock and using paint like watercolor.

Ornaments are intended to be hung up one per day, starting December 1st, with the final ornament hung on Christmas Day, December 25th. As you hang each ornament, reflect on the suggested scripture verses that accompany each image. Parents may read aloud to younger children, older children and adults may wish to read to themselves and reflect on the passage.

These images are intended for craft and personal use only. Please do not publish without written permission from the Office of Multicultural Ministries, Catholic Diocese of Arlington.
