GOAL SUMMARY

The objective for this session is for the teens to remember that the Lord performs miracles if we have the faith to be healed.

VIDEO SUMMARY

This video is a modern retelling of Mark 2:1-12.

DISCUSSION QUESTIONS

1. Why do you think Jacob's friends wouldn't leave him in order to go see the prophet?
2. How can you have faith for your friends if they don't have it for themselves?
3. In the video, we see that the healing is through the friends' faith that Jesus would heal Jacob if they got close enough. Are your friends the type whose faith would save you? Are you that friend for others?
4. Do you really believe the Jesus can heal you?
5. What are some ways that you need to be healed?

SEND

Jesus wants to heal us, we just have to be willing to seek that forgiveness and know that we can be healed. We are worthy of being healed, we just have to have faith that the Lord will heal us.

Pray together:

Lord Jesus, you desire to heal us. We believe that if we just have faith, you too can heal us. Help us to surround ourselves with people who will remind us of that constantly. Heal our woundedness! We love you Lord. Live in us so that we might live in you. Amen.
