GOAL SUMMARY

The goal for this session is for the young people to realize that the poor and vulnerable are all around us and that we are called to serve those most in need.

VIDEO SUMMARY

This video is from the Diocese of Arlington's "2 Minutes 2 Virtue Series", which showcases priests discussing different virtues. This particular video shows Fr. James Searby, Parichol Vicar at St. Charles in Arlington, discussing the "lowly".

DISCUSSION QUESTIONS

1. In what ways do you seek greatness? Is it worldly greatness or true eternal greatness?
2. Why does Jesus meet the child eye to eye?
3. What is one concrete way that you can love the person in your life who is lowly (ignored, awkward, unwanted, frustrating)?
4. What would it cost you to show this person that you care for them? To have a conversation with them?
5. How does Jesus show us that those who are lowly are close to him?

SEND

Jesus uses the example of a child as the way that we can inherit the kingdom. In choosing children, who were considered lowly, he shows us that we have to be made small to be close to him. The lowly are all around us, we just have to look.

Let us pray:

Lord, open our eyes to those around us who are lowly and most in need of your love today. Give us a heart this week to lowly, so as to best glorify you. We love you Lord. Amen. St. John Bosco, pray for us!
