GOAL SUMMARY

The goal of this session is to get the young people talking about the resurrection and how it changes everything!

VIDEO SUMMARY

In this video, Mark Hart discusses the resurrection, common arguments against it, and what the resurrection means for us as people of faith.

DISCUSSION QUESTIONS

1. Which of these arguments for the resurrection is most convincing to you?
2. Jesus conquers death during his crucifixion and his resurrection. Many people, martyrs, died in order to witness to Christ. In what ways do you think you are a martyr in our world?
3. Why did Jesus rise from the dead?
4. How can we live with Christ forever?
5. How does the resurrection show us Jesus' love?
6. St. John Paul II says, "Do not abandon yourselves to despair. We are an Easter people and alleluia is our song". What do you think this means? Why do you think we are an Easter people?

SEND

Jesus' resurrection actually happened and because of it, we can live forever.

Pray Together:

Dear Lord, we long to be with you in eternity. Help us to truly believe in your resurrection and to have the hope that we too will join the communion of saints and live with you in Heaven. Amen.
