

# FRENCH LANGUAGE CURRICULUM OBJECTIVES

## DIOCESE OF ARLINGTON

*Issued June 2025*

## **WORLD LANGUAGES CURRICULUM OBJECTIVES**

### **PHILOSOPHY**

The teaching of world languages provides a variety of benefits:

- Teaches listening, speaking, reading, writing and culture with emphasis on communication
- Expose students to the beauty and richness of other languages and civilizations
- Strengthens cognitive thinking skills
- Supports the native language of the student and reinforces English grammar

The ultimate goal of an academic elementary program is to complete successfully the level one high school curriculum. The high schools currently require a world language placement test and/or written recommendation by the student's world language teacher.

### **WORLD LANGUAGE RATIONALE**

To support the current/existing philosophy incorporated in the Diocesan World Language Guidelines, we offer the following rationale:

Research indicates the most successful language learning takes place between birth and age ten to twelve. At this young age, the child will have an easier time of learning and retaining the language.

When children study world language, they develop higher cognitive thinking skills. Foreign language study helps students gain a better understanding of the grammar/ structure of their native language. As a result they usually perform better on standardized tests (Terra Nova, HSP/AT, SAT, ACT).

Two or three years of world language study in high school do not always provide fluency in a world language. Fluency will more likely be reached if the child has started world language learning much earlier and continues to advanced levels in high school.

Study of a world language creates citizens who will learn to accept, understand and appreciate the diversity of cultures. Thinking globally will help to promote world peace.

In our global society, as the world becomes more interdependent, students' knowledge of world language is crucial for expanded career opportunities. It will also aid in developing responsible citizens of the world community and bring us closer to realizing the Kingdom of God on earth.

Je crois en un seul Dieu, le Père tout-puissant, créateur du ciel et de la terre, de l'univers visible et invisible. Je crois en un seul Seigneur, Jésus Christ, le Fils unique de Dieu, né du Père avant tous les siècles:

Il est Dieu, né de Dieu, lumière, née de la lumière, vrai Dieu, né du vrai Dieu,  
Engendré, non pas créé, de même nature que le Père, et par lui tout a été fait.  
Pour nous les hommes, et pour notre salut, il descendit du ciel;  
Par l'Esprit Saint, il a pris chair de la Vierge Marie, et s'est fait homme.  
Crucifié pour nous sous Ponce Pilate, il souffrit sa passion et fut mis au tombeau.  
Il ressuscita le troisième jour, conformément aux Écritures, et il monta au ciel; il est assis à la droite du Père.

Il reviendra dans la gloire, pour juger les vivants et les morts; et son règne n'aura pas de fin.

Je crois en l'Esprit Saint, qui est Seigneur et qui donne la vie; il procède du Père et du Fils;

Avec le Père et le Fils, il reçoit même adoration et même gloire; il a parlé par les prophètes.

Je crois en l'Église, une, sainte, catholique et apostolique.

Je reconnaissais un seul baptême pour le pardon des péchés.

J'attends la résurrection des morts, et la vie du monde à venir. Amen.
