Sarah Schmitt is the Founder and Executive Director of Witness to Dignity, a nonprofit providing Disability and Mental Health support to Churches and Private Schools.

Join us for an evening of prayer and fellowship, as we go deeper into a topic relevant to your ministry! This topic on Neurodiversity offers great information to help each of us engage young people in the Diocese. Use this as an opportunity to get your team on the same page; invite your leaders and volunteers to help them feel valued as part of your ministry program.
