

# Searching for Jesus with St. Augustine

A Retreat for Men and Women

**SILENT RETREAT**

**August 14-16**

*San Damiano Retreat Center*

*A brilliant and talented young man named Augustine found himself trapped in the world and chained by the pleasures of the flesh — a slave to sin. His restless search for Truth, Goodness, and Beauty led him to God; not merely in the world about him, but in the depths of his own soul. On this retreat we will consider St. Augustine's journey as He described it in his masterpiece, Confessions, and learn from his wisdom as we seek God with our own restless hearts*

**Retreat cost is \$299. Financial assistance may be available.**
