

WorkCamp 2019 Confidentiality Statement

As a Christian, I affirm the dignity and uniqueness of each person created in God's image and likeness. I respect the well-being, privacy and diversity of all my sisters and brothers in Christ.

During WorkCamp 2019, I will be making basic home repairs for people in need who have been referred through local churches and social service agencies. I am aware that being a recipient of charity can make people feel more vulnerable and I acknowledge that I am in a privileged position to be invited into their homes. Trusting that all personal information will be held in strictest confidence, the residents may share with me their personal stories and tell me of their daily struggles. Recognizing that sacred trust, I will avoid relating to anyone privileged information that could identify the residents. As a matter of justice, I will honor every individual's right to confidentiality.
