

Rachel Promoter Volunteer Agreement

A key ingredient of a Project Rachel volunteer or parish promoter is the role that marital chastity plays in a marriage. It is important that Project Rachel volunteers are well grounded in the correct Catholic teachings on marital chastity. Volunteers often must be able to deal with chastity issues in their work with clients. Thus it is important to understand that sex outside of marriage and contraceptives within marriage does not lead to chaste living. Women who are married and desire to volunteer are encouraged to take a course on Natural Family Planning.

We are looking for very special people to be Project Rachel volunteers. Please read the following carefully.

+++++

I agree with and will promote the principles presented in my application and on this authorization form. To the best of my knowledge, the facts and information I have provided are true and accurate.

Rachel Promoter Name (printed)

Signature

Date

Thank you, for considering volunteering at Project Rachel.
